Groupon Says

[ConversationMaster Small Talk Academy](#)

Pouring drinks is only half of a bartender's job. Learn the rest at Boston's ConversationMaster Small Talk Academy. You'll learn the small talk every bartender needs, including:

- "Sounds like politics as usual to me."
- "Do you know how the orcs first came into being? They were elves once, taken by the dark powers, then tortured and mutilated. A ruined and terrible form of life. Now... perfected."
- "This evil cannot be concealed by the power of the Elves. We do not have the strength to withstand both Mordor and Isengard. Gandalf, the Ring cannot stay here. This evil belongs to all of Middle-Earth. They must decide now how to end it. The time of the Elves is over, my people are leaving these shores. Who will you look to when we've gone? The Dwarves? They toil away in caverns, seeking riches. They care nothing for the troubles of others."
- "Ash nazg durbatulúk,
ash nazg gimbatul,
ash nazg thrakatulúk
agh burzum-ishi krimpatul."
